Do you have any specific moles, lumps or spots that you would like the doctor to examine?

Yes No Unsure

If yes please specify: _____

In order to check your skin thoroughly, we recommend a full systematic skin examination rather than just a brief check of a few spots. It is important to be aware that some skin cancers can occur even where the sun does not normally shine. To perform a full skin check, we ask that all clothing is removed down to your underwear. Please discuss with the doctor if there are any areas of concern under your underwear.

Please tick what type of skin check you would like:

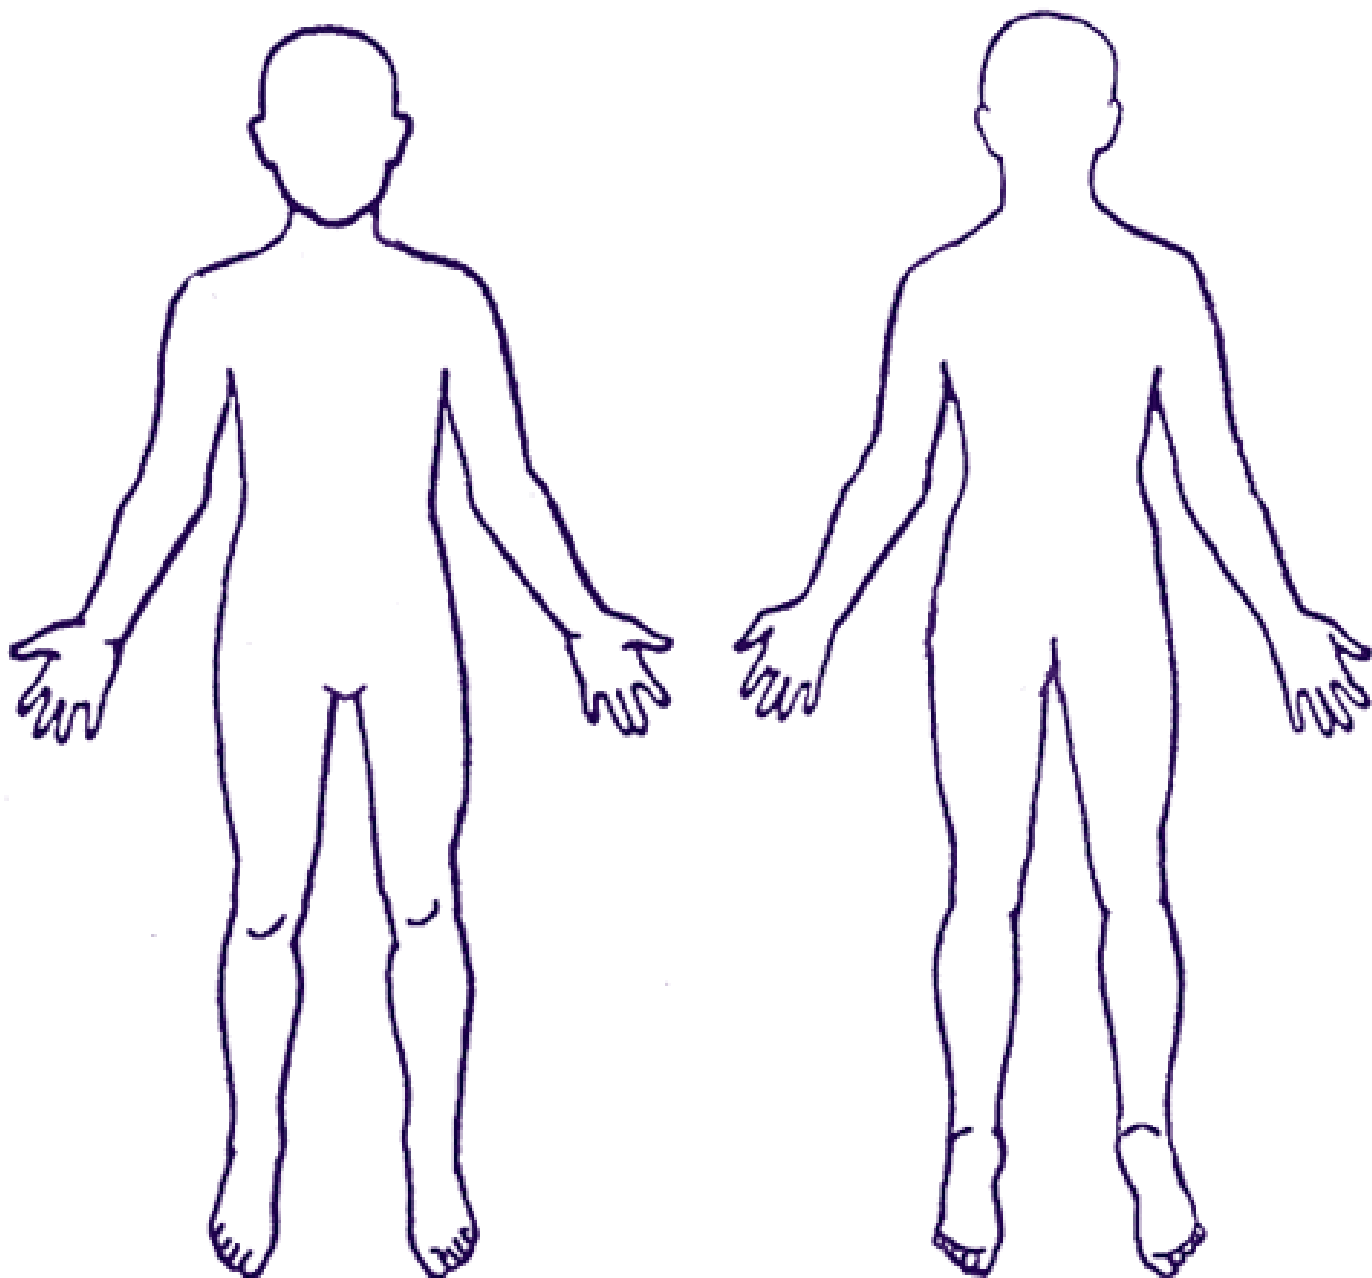

Full Skin Check

Spot Check in the following areas: _____
