COMMUNICATION

Our practice gives patients sufficient information about the purpose, importance, benefits, risks, and possible costs associated with proposed investigations, referrals, or treatments, where possible, to enable patients to make informed decisions about their health.

At The Bridge Family Practice & Skin Clinic, all phone calls are taken by our experienced receptionists. Our Doctors do not accept calls from patients. In case of an emergency, your call will be put through to one of our nurses.

Emails to the practice via info@thebridgefamilypractice.com.au will be dealt with by our administration staff. We do not accept requests for scripts, referrals or appointments via this method. You will be advised to make an appointment with your GP.

Text (SMS) messages are used for patient appointment reminders, follow-ups, and any health reminders. Please inform one of the receptionists if you wish to opt-out of receiving SMS reminders.

Follow up of Tests and Results

Our Practice uses several secure electronic messaging systems to receive test results and specialist letters. Those who do not support these systems will fax or post the reports, which are scanned immediately upon receipt. The doctors check the results and makes a comment regarding follow up appointments. It is our practice policy to recall patients with any abnormal or significant test results. Our procedure is as follows:

- **Urgent Results:** The Doctor or Nurse will contact you by phone to advise you to make an appointment. If there is no answer after 3 attempts, a letter will be sent to you advising an urgent appointment is required.
- **Non-Urgent Results:** Our automated recall and reminder system will send you a text requesting you to make a non-urgent appointment. If you have chosen to opt-out of receiving texts, you will be phoned by one of our receptionists. If there is no answer after 3 attempts, a letter will be emailed or posted.
- **Normal results:** (no action required): If your doctor has marked your results as normal, we do not normally contact you. You may receive a sms via Hotdoc advising of this.

MANAGEMENT OF PERSONAL INFORMATION

Our practice has strict guidelines on the collection, storage, use and disclosure of personal health information. Any data and information collected is held, used and disclosed in accordance with the *Privacy Act 1988*.

Use of Artificial Intelligence (AI) Scribes

Our practice uses an AI scribe tool to support GPs take notes during their consultations with you. The AI scribe uses an audio recording of your consultation to generate a clinical note for your health record, once transcribed, the audio recording is destroyed. Only your General Practitioner can access this content. You have the right to refuse the use of the AI Scribe during your consultation.

PRIVACY

The contents of a patients file will not be divulged without your consent or where required by law. You are entitled to see your records by appointment, with your GP.
